Planning and Growth Management
Workshops
The Biofuels Sector
March 23, 2009
Destin, Florida

Course Information

PLANNING AND GROWTH MANAGEMENT WORKSHOPS CONCERNING BIOFUELS SECTOR

Two - 2 hour courses (2 CEU credits per course)

Course Information

This course aims to address the real life challenges of Sustainable Energy Planning by building change agent capacities of Urban Planning professionals who work within a myriad of public and private sector contexts. Planners who take this course will be challenged to improve their personal capacities to influence change in pursuit of energy sustainability within their places of work, their communities and their region.

10:00 am - 12:00 pm

Planning for Energy Uncertainty in Florida Workshop

- Global Energy Outlook
- Local Energy Sustainability
- Biofuels Development in Florida
- Background on Florida's Energy and Climate Change Action Plan
